**Ending**

Bridge 1

Do all of Bridge 1, but turn 1/4 L on the four doubles and repeat 3 more times to face front.

Part B\*

Do all of Part B, but turn on Walk The Dog, Snip His Ears 1/4 L and repeat this 3 more times to face front. Also, after you turn the last Walk The Dog, Snip His Ears and you're facing the front stop after that and don't do the Ida Red or the Cootie Stomps.
